WOODSTOCK BICENTENNIAL CELEBRATION PLANS NEAR COMPLETION

Final touches are now being put on plans for the Town of Woodstock's Bicentennial Celebration, to be held in Bryant Pond on the week end of July 2-4.

The events of Friday, July 2, will include a supper prepared by the Willing Workers and served in the Universalist Church, a Youth Parade, from the Woodstock Elementary School yard to the Bryant Pond baseball field; an evening of fun and games at the baseball field; and a Youth Dance at the Woodstock Elementary School Gymnasium.

On Saturday, July 3, the Grand Parade will follow a route from the schoolyard to the baseball field. The parade will begin promptly at 10 a. m. Entries in the parade—bands, floats, antique autos, and the like—are welcomed. Anyone wishing to enter the parade should contact Richard Felt by telephoning Bryant Pond 114-4. Prizes will be awarded.

During the day Saturday, a display of exhibits of interest will be open to the public in the Grange Hall; seaplane and boat rides will depart at regular intervals from the Public Wharf at the end of Lake Road; game party, with refreshments, will be operated between the Grange Hall and the Town Hall by Jackson Silver Post, American Legion; amusements and games will be offered at the baseball field; and an open house at the fire station will be conducted by the Fire Department.

At 7:30 p. m. on Saturday, a public Folk Dance will take place at the Woodstock Elementary School Gymnasium and school yard. The Brunswick Folk Dance Group will lead the dancing.

The scheduled activities of Sunday, July 4, will begin with a fried clam dinner at the Bryant Pond baseball field at noon. At 1 p. m., the Town Bicentennial Tree will be planted in the Town Common, next to the Bryant Pond Post Office. At 2 p. m., a donkey baseball game will begin at the baseball field. Throughout the afternoon, the fun and games at the baseball field will continue, and the exhibition at the Grange Hall will be open to the public.

The Woodstock Chamber of Commerce, which is organizing the Bicentennial Week-end, reports that final arrangements are now being made for the various events, and that handbills with a detailed schedule of activities will be available in the near future. The Chamber emphasizes that residents of surrounding towns are welcome to take part in any of the events of the week end. Everyone feels that the Town will be able to outdo even last year's highly successful celebration.

Frosts were reported in some areas on Sunday morning. Heavy thundershowers Wednesday evening, followed three days of hot, humid weather.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

On Monday, June 14, the Board of Selectmen, in a four hour meeting, approved action on a number of items. John Willard and Peter Kelley met with the Board to discuss the placing of business directional signs on Route 2, 5 and 26. Such signs would be general in nature and would be made of weathered barnboards. The Chamber requested that the Board of Selectmen assist them in obtaining approval from the State Department of Transportation for the installation of the signs. The Chamber will install and maintain the signs at their expense.

Pat Doon met with the Board to discuss the relationship between local and state property valuations. Mrs. Doon expressed concern that other member municipalities in S. A. D. #44 are not at 100% valuation, and thus when the state revises Bethel's valuation for school purposes next year, Bethel could be adversely affected. The Board agreed to review the relationship between local and state valuations.

Wendall Sweetser met with the Board to discuss a water problem at the corner of Crescent Park and Mason Streets. Water has been coming out of the ground at the edge of the road and remaining on his land. Sam Timberlake reported that he had met with Bob Davis, and David Myers and Richard Harding of the Water District at the site and it was their feeling that the problem could be a perched water table and that natural water drainage in the area goes directly toward Mr. Sweetser's property. The Board voted to have the town dig a hole near where the Water District had done construction work last year in order to determine the source of the water.

Proposed changes in the Federal revenue Sharing Program were discussed. The Town Manager reported that several major changes could have adverse effects on small municipalities like Bethel. The Board voted to send letters to Maine's Congressional Delegation urging them to oppose changes which could place financial hardships on Maine cities and towns.

In other actions, the Board signed appointments for Rupert Grover and Peter Haines as members of the Appeals Board and signed a form indicating their approval of Federal Aid Secondary State Highway designations in Bethel.

A letter from Michael O'Donnell relative to the noise problem on Main Street was discussed. Managers reported that special officers are being used to provide increased coverage on Friday and Saturday nights and Sunday afternoon. In related action, the Board authorized the Manager to work with Central Maine Power Company to review the street lighting on Main Street.

The Board discussed painting of the fire station and directed the manager to draw up specs and obtain estimates on an hourly basis for the painting job. It was voted that the manager obtain the estimates and then hire the job done.

Activities for the Bicentennial Celebration were discussed and

CAPACITY CROWD ATTENDS TELSTAR GRADUATION LAST THURSDAY EVENING

Graduation exercises for the class of 1976 at Telstar Regional High School were held last Thursday evening, June 10, in the school's gymnasium. A capacity crowd was in attendance at the eighth annual commencement program.

The program opened with the traditional procession, "Pomp and Circumstance," with Miss Susan Hathaway, at the organ. Miss Nancy Melville, class chaplain, gave the invocation; followed by the welcome by Class Co-President, Miss Nancy Dock.

Miss Lellani Poland, First Honor essayist; Miss Susan MacKay, class salutatorian, and Miss Claire Morgan (Class Co-President), valedictorian, gave exemplary speeches in both presentation and content.

Basil E. Kinney, superintendent of schools, M. S. A. D. #44, announced the awards. Samuel W. Elliott, director of guidance at Telstar, presented the Dollars for Scholars awards.

Mrs. Marie Wilson, S. A. D. #44, director of Adult Education, presented diplomas to Muriel Lauze Gilbert, Faye Billings Roberts, and Jacklyn Crouse Roberts. These three ladies had completed their high school diploma requirements under the auspices of the Adult Education Program.

Members of the class of 1976 received their diplomas from Mrs. Patricia Hudson, chairman of the S. A. D. #44 directors, as candidates were presented by Brian G. Flynn, Telstar principal.

Miss Melville, class chaplain, offered the benediction, and the exercises closed with the recessional.

The Telstar Chorus, under the direction of Mrs. Linda Vedella, rendered two selections, "The Lord's Prayer" and "The Morning After," during the evening's program.

Class Marshals were Mike Dunn and Leslie Mills.

Awards announced during the program were: Western Maine Industrial Management Scholarship, Althea Chase; Woodstock Alumni Scholarship, Althea Chase and Mark Thurlow; Greenwood Scholarship, Althea Chase; Marcia Mills; and Bruce Swan; Sandra M. Berryman Scholarship, Debra continued on Page Four

the Board voted to authorize the Police Chief to close designated streets for the parade on July 3 and to close part of Main Street for a Skate Board Race on July 4 if proper insurance is secured.

The Board held a short executive session to discuss personnel matters in connection with the Sewall Company's revaluation contract. The Board authorized additional part-time help for the town office to help with revaluation work.

The next meeting of the Board of Selectmen will be held Monday, June 28.

On Saturday, July 3, a Canoe Race from Gilead to West Bethel on the Androscoggin will take place under the sponsorship of Suzanne and Rupert Grover of Pleasant River Canoe Rentals of West Bethel. There will be prizes for the best performance in different classes of craft, in addition to opportunities for lots of fun for both participants and spectators. In addition to these recently scheduled events, committee members are busy with plans for the many and varied activities which complete the week end. The Contra Dance on Friday evening, July 2, will evoke memories of dances of earlier years, with a wide selection of reels, round and square dances to the music and directions of members of the Red House Circus of Phillips, Maine. One need not be expert or even familiar with this type of dancing to plan to come and have a good time. Tickets will be on sale beginning next week.

The Youth Walking Parade, beginning at 8:30 a. m., under the direction of Mary Newcomb, Ginger Kelly and Peggy Wright, will progress from the Fire Station around the Common, down Main Street, Elm Street, Winter Street, and onto the Gould Field. Judging of costumes in each of the six categories will take place en route. David Salway and the Rotarians will be waiting at the Gould Field for the parade, following which there will be a Rotary sponsored Field Day, with races for different age groups.

Later in the day, from 2-4 p. m. the Bicentennial Committee will run a Scavenger Hunt, starting at the Moses Mason House.

At other locations there will be simultaneous events for other age groups. The Rifle Guard will run a "Chicken Shoot" at the Rifle Range on Route 2 from 10 a. m. to 2 p. m., open to all types of arms. The Jackson Silver Post #63 American Legion team will play Richmond at 2 p. m. on the Telstar Field.

On Saturday evening, the popular Home Brew Band will provide music for a dance for all ages at Bingham Gym. Tickets will be sold in advance with a limit of 200 tickets. The dance should round out a day of family participation and fun.

An Interfaith Bicentennial Church Service will be held at the historic East Bethel Church at 11 continued on Page Four

RESOLUTIONS OF RESPECT

Once more death has entered our ranks and taken from our midst Brother Harlan Bumpus, a faithful and loved member and worker of our order, and while we mourn the loss of a loyal member we are rejoiced at his freedom from suffering and his entrance into a higher life where sickness and sorrow are no more.

Therefore be it Resolved That Round Mountain Grange extend to the bereaved family and other relatives of our Brother our heartfelt sympathy, and we point them to our Heavenly Father for comfort in their hour of trial.

Resolved That these resolutions be placed on our records, that a copy be sent to the family of our Brother, and one sent to the Citizen Printers for publication, and our charter be draped in mourning for thirty days.

"Death is a part whereby we pass to joy."

Life is a lake which drowns all in pain;

Death is so dear, it ceaseth all annoy;

Life is so leud, that all it yields is vain;

And as, by life, to bondage man is brought;

Even so likewise by death is freedom wrought."

On the Job With Emily

Monday, June 14, 1976:

Rep. Emily Saunders attended the second Special Session of the 107th Legislature on June 14, and is now able to personally testify that the State House is accessible to the handicapped, an issue with which she was involved during the regular session. Despite cast and crutches and at least 140 inquiries of "What happened to YOU," Emily participated in the 10-hour day which saw passage of the compromise Appropriations bill and action on eight gubernatorial vetoes, as well as numerous house-keeping tasks.

Although Emily was one of the "hold-outs" on the Appropriations bill which failed to pass in April, the revision presented on Monday was such that she, and all but seven of her colleagues, could support it. The basic change involved provisions to protect the right to collective bargaining for state employees. The bill was a catch-all, including the job reclassification system and a pay raise of \$9.9 million for state employees, appropriations for the University of Maine, state education aid, day care, meals for the elderly, and alcohol and drug abuse programs. It provides that an estimated \$1 million in savings from the welfare program be applied to increasing AFDC grants. A move by Rep. Connolly of Portland to guarantee an additional \$1 million for AFDC failed, most legislators feeling that the additional money would be achieved through the savings and being unwilling to prolong the session with the amendment.

The legislature overrode the Longley vetoes on six of the eight bills. A tax break of \$225,000 for the cement plant at Thomaston was granted. This exempts the Martin Marietta Company from sales tax only on Bunker C fuel oil used in the manufacture of the product, not on fuel used to operate equipment. A second Administrative Court judgeship was created to assist the present overworked judge in handling liquor violations and professional licensing appeals. Retired teachers and state workers will be able to receive increased benefits on July 1 as opposed to November 1, and the Dept. of Human Services will reopen its Belfast office as a result of Monday's House and Senate action. Two bills providing one-time emergency relief to two school districts were passed. Rep. Saunders voted with the majority on all these bills.

The House sustained Longley's veto on a revision of the state purchasing procedures and on a measure to prevent the replacement of some state-run liquor stores by agency stores. Also going down to defeat was a \$7000 appropriation to allow the University of Maine to conduct prevention research on a new super-vicious strain of blackfly, prevalent in the Orono area, but spreading to other areas of the state. Emily voted against the liquor store bill, and in favor of the purchasing revisions and the fly control.

The one day session adjourned following a short message delivered by the Governor. Since the session was in all probability the final meeting of the 107th Legislature there were many remarks, during periods when the House was awaiting Senate votes, honoring members of the House who were retiring, or who had been defeated in the primary. The State House had the atmosphere of a graduation day following adjournment, with members carrying out armloads, and in the case of Congressional candidate Leighton Cogney, shopping baskets full of papers and notebooks, and the halls echoing with encouragement.

"COPPELIA" TO BE REPEATED
IN SOUTH PARIS

"Coppelia" is a light hearted comedy about Franz who falls in love with a life-sized mechanical doll.

Swanilda, his betrothed, enters the strange house of Dr. Coppélius to face her rival along with her friends only to discover that Coppelia is not real. The joke is on Franz and they take full advantage of it!

The talented young dancers perform the ballet with a professional air. It's beauty and amusing incidents make it a favorite of balletomanes.

Oxford Hills Auditorium, South Paris, will be showing this delightful ballet Thursday afternoon, June 17, at 4 o'clock, and Friday evening at 8. Don't miss it!

SAVE-OUR-SONGO OFFICERS
HOLD PLANNING MEETING

Officers of the S. O. S. Lake Association held a planning meeting Tuesday evening at the home of Mr. and Mrs. John Kallis. President Helen Kallis conducted the business. Secretary Norma Salway read the minutes of the last meeting and treasurer Eleanor Jodrey gave the financial report. Thanks were extended to the legislative chairman for her successful efforts on behalf of the Association in securing a large danger sign at the intersection of Routes 35 and 5; also for warning signs that will be placed shortly on Route 5 near each end of Songo Pond during the heavy summer traffic.

As our country is celebrating its 200 years and S. O. S. is going into its third year of improving water quality a slogan was suggested—"Let's make it pure for 100 more."

The owner and manager of the Bethel Inn Beach Club have kindly consented to let the S. O. S. Association hold future meetings at their facilities. The first meeting will be held there Saturday, July 10, at 7 o'clock in the evening. The August meeting will also be held there on the 21st. This will be the annual picnic, election of officers, etc. More information will be in a newsletter coming out soon. It was voted to join C.O.L.A. again this year as all felt S.O.S. had benefitted much from association with them. They have undergone a re-organization and a new director is in charge.

There was considerable discussion concerning a float in the Molloykett Day Parade.

It was brought to the attention of the Lake Association in the sudden drop of the water level of the pond—it is already below the usual low August level. The legislative chairman is contacting E.P.A. about what can be done and the proper procedures. Norma Salway is the tentative delegate to the C.O.L.A. annual meeting at Kents Hill School. Other long range projects were discussed. Meeting adjourned. Cookies and iced tea were served. Others mentioned besides those already mentioned were John Kallis, George Noll, and Alice Kimball.

Members of Sunset Nebekah Lodge are invited to join Mrs. Ferol Godwin at a 6 o'clock potluck supper on Tuesday, June 22, at her Twin Oaks Tenting Area on Route 2.

OUR FLAG

Following is an original poem, read by the author, Mrs. Rena Abbott, as part of a patriotic program at the June 8 meeting of the Bethel United Methodist Women.

Let us honor the flag of our Country,
And to all that it stands for be true.
May we love and protect it forever,
Our beautiful red, white, and blue.
Betsy Ross was the one who designed it,
She sewed together the red and white bars,
And for the thirteen colonies,
She put on a blue field, white stars.

Many more stars have been added,
As we've gained in number and fame,
But the principles of our forefathers,
Will remain with us ever the same.

Freedom of speech and of worship,
Freedom to come and to go.
No other nation in this world
Has the blessings that we know.

There has been many dark hours,
But our country has passed every test,
Been a haven to the war-torn, and needy,
And an aid to the nations oppressed.

And at the next Bicentennial,
When two hundred years have gone by,
O'er the United States of America
May our Banner of Freedom still fly.

Rena Abbott

Coolidge and Alice Kimball were welcomed back from their Alaskan trip.

A program was presented at the close of the dinner, Rena Abbott read a poem, "Our Flag," which she also composed. Leona Curtis presided at the piano with songs all knew and enjoyed.

Stanley Howe was introduced and he gave briefly a history of Moses Mason. Slides were shown and narrated by him, room by room of the Moses Mason House on Broad Street. Also he showed old scenes of Main Street and other older buildings. All in all it was a very pleasant day well spent.

HINDMAN - ROBERTS

Sherrie Marie Roberts and John Harrison Hindman were united in marriage, May 1 at the Methodist Church in Bethel. The double ring ceremony was performed by Rev. Ronald McKinstry.

The bride is the daughter of Mr. and Mrs. Albert Roberts of Bryant Pond. The bridegroom is the son of Mrs. Constance Doyen Hindman of Bethel and Rev. William Hindman of Beaverlette, Va.

The bride was given in marriage by her father. She wore a floor-length gown of chiffon and nylon, featuring an empire waistline and gauntlet sleeves. The A-line skirt was trimmed with Alencon lace as were the gauntlet sleeves. The veil was one layer of net, elbow length, with a cluster of flowers for the head piece. Her bouquet was of yellow roses and pink carnations.

Mrs. Debi Chase was the matron of honor, wearing an orchid gown and carrying a trio of yellow roses. Bridesmaids were Pam Barker and Nancy Roberts, sister of the bride. Both carried yellow roses.

Hugh Awalt was the best man and ushers were Ricky Westleigh and Lee Hindman, brother of the groom.

Traditional wedding songs were sung by Marge Awalt, aunt of the groom and Albert Henley, grandfather of the bride. They were accompanied by Susan Hathaway of the organ.

Following the ceremony, a reception was held at the church.

The couple took their wedding trip to Chincoteague, Va., and will reside in Rumford on their return home.

As a Pharmacist we face a day filled with questions. Some are almost shouted, some are uttered softly, some are barely audible. But all these questions are very important to the people who ask them. We are the health professionals they see most often and most informally. We are the ones they look to for help, every time they walk up to our prescription counter. As a Pharmacist we feel obligated to maintain professional and educational standards to continue the relationship we now have with our public.
